

Garrison Tactical Vest (GTV)

The United Shield Garrison Tactical Vest answers the needs and wants of law enforcement professionals by providing high performance ballistic protection, integrated in full functional and versatile design to meet the strategic needs of your specific mission. The Garrison Tactical Vest provides full protection with full overlapping side coverage from front and back panels. The vest includes certified NIJ 0101.06 Level II or Level IIIA soft armor manufactured in the USA.

The GTV comes with a top loading front and back plate pocket that accepts 10" x 12" plates. Also included are adjustable shoulder straps to accommodate individual comfort and an adjustable cummerbund with hook/loop closure on both sides of the wearer. A heavy duty drag strap with hook and loop handle to hold down the drag strap to prevent snagging. Also standard is 360° MOLLE for all equipment needs and Velcro on the front and rear to accept ID patches.

Accessories include neck, throat, bicep and groin armor with MOLLE. The GTV is manufactured from 500 Denier Nylon in the USA

Ballistic Protection

The GTV comes with certified NIJ 0101.06 Level IIIA armor, although all soft armor packages available from United Shield are available in both Level IIIA and Level II.
