

GEN4 LO-PRO HELMET COVER

SPEC SHEET

United Shield International

VERSIONS AVAILABLE: United Shield Spec Ops Delta Gen II and United Shield International Spec Ops Delta Gen II Mid Cut

DESCRIPTION:

The Gen4 Lo-Pro is a next generation helmet cover that fits like a glove and gives the helmet new cutting edge functionality and accessory management.

The Gen4 helmet cover provides color or camo uniformity, protects the helmet's painted ballistic surface and serves as a rock solid platform that secures all accessories, preventing loss or damage.
