

The United Shield International SRS Bump helmet offers protection against blunt impact . The unique shell provides for outstanding shock and impact resistance when combined with Team Wendy impact pads.

The SRS Bump helmet comes standard with side picatinny rails and universal NVG mount. Bungee attachments from the rails to the NVG mount add stability to the night vision when attached.

This helmet comes with the United Shield International BOA 4-point Retention harness with Rapid Adjustment Dial to allow for on-the-go adjustment.
