

Piton 2 NIJ 0115.00 Certified Spike 2

United Shield International introduces the latest innovation in WEARABLE SPIKE body armor

The Piton 2 provides industry leading "WEARABILITY". The uniqueness of this vest is that it provides the areal density, weight and thinness of leading polyethylene vests with the flexibility and softness of leading aramid vests all while maintaining NIJ Spike Certification.

Never before have these two characteristics been combined at this level of performance to produce the industry's MOST WEARABLE Spike Vest

The Piton-2 comes standard with our SPA carrier with "Dry Run" moisture management system to wick away moisture from the body. The SPA features a 12 point adjustment system, hidden plate pockets, full side coverage, recessed closure system and optional tails

Ballistic Protection

Piton comes with NIJ 0115.00 Certified Spike level 2 armor. Available in both Male and Female. NIJ part number US1.2-S2
