

Virtus— II Level II NIJ 0101.06 Certified

United Shield International introduces the latest innovation in WEARABLE body armor

The Virtus level II provides industry leading “WEARABILITY”. The uniqueness of this vest is that it provides the areal density weight and thinness of leading polyethylene vests with the flexibility and softness of leading aramid vests.

Never before have these two characteristics been combined at this level of performance to produce the industry’s MOST WEARABLE Vest

The Virtus-II comes standard with our SPA carrier with “Dry Run” moisture management system to wick away moisture from the body.

The SPA features a 12 point adjustment system, hidden plate pockets, full side coverage, recessed closure system and optional tails

Ballistic Protection

Virtus comes with NIJ 0101.06 Certified level II armor. Available in both Male and Female. NIJ part number USI3.1-II
