

Police Tactical Level III+ Lightweight Shield

The United Shield Level III+ lightweight ballistic shield is a mobile high protection shield which provides multi strike protection from standard level III rounds (7.62x51 Nato Ball) as well as the 7.62x39 123gr AK47 and Multiple 5.56x45 rounds. The shield is curved and is constructed using a proprietary UHWMPE to achieve industry leading weight. These new lightweight shields are offered in several different shapes and sizes to fit the end users needs and comes standard with our horizontal handle. Other handles are available to be put on this shield, including our ERT special Handle. Standard lightweight level III+ shields are offered with or without Viewport

Addition of a LED light is available.

Armor Solution

United Shield uses proprietary, market leading polyethylene (UHWMPE) meeting the NIJ 0108.01 testing standards.
