

UPT Molle Laser Cut Carrier

UPT Armor Series

The UPT laser cut MOLLE outer carrier was developed to offer the end user 360-degree laser cut MOLLE attachment points with modularity to adapt to the mission needs with maximum flexibility. The UPT line has interoperability along the entire line, allowing end user to go from a clean, professional look to up-arming for critical incident situations. The vest comes standard with Aspetto buckles (pictured). The UPT series allows for quick attachment of;

- Trauma and ballistic plates
- Groin Protector
- Shoulder Pads
- Throat Protector
- Bicep Protectors
- Pouches
- AB Protector
- SSAS Accessory System
- Assault Panel

The above accessories are attached by our revolutionary "G-Hook" attachment system when added functionality /load bearing/ protection is a must.
