

UPT Mountain CLC carrier

UPT Armor Series

The UPT Mountain CLC outer carrier was developed to offer the end user MOLLE attachment points with modularity to adapt to the mission needs with maximum flexibility. The Mountain CLC carrier adds additional rows of Molle on the front plate pocket flap and has a badge patch on the left shoulder for any department that would like Police/Sheriff identifiers, as well as displaying their badges. The UPT line has interoperability along the entire line, allowing end user to go from a clean, professional look to up-arming for critical incident situations. The UPT series allows for quick attachment of;

- Trauma and ballistic plates
- Groin Protector. • Bicep Protectors
- Shoulder Pads • Pouches
- Throat Protector
- Patent Pending UPT Assault Panel

The above accessories are attached by our revolutionary "G-Hook" attachment system when added functionality /load bearing/ protection is a must.
