

UPT Mountain Gurnee Carrier

UPT Armor Series

The UPT Mountain Gurnee Outer carrier was designed as a hybrid offering with a clean professional uniform shirt pocket look with the added features of a load bearing vest. The mountain Gurnee also offers a slick rear of the vest. The UPT line has interoperability along the entire line, allowing end user to go from a clean, professional look to up-arming for critical incident situations. The UPT series allows for quick attachment of;

- Trauma and ballistic plates
- Groin Protector.
- Throat Protector
- Pouches
- Patent Pending UPT Assault Panel
- Shoulder Pads
- Bicep Protectors

The above accessories are attached by our revolutionary "G-Hook" attachment system when added functionality /load bearing/ protection is a must.
