

UPT Patrol Laser Cut Carrier

UPT Armor Series

The UPT laser cut Patrol outer carrier was developed to offer the end user 360-degree laser cut CE MOLLE attachment points with modularity to adapt to the mission needs with maximum flexibility. The carrier includes Uniform Pockets on the plate pocket for a professional appearance, while still offering the ability to up-armor. The UPT line has interoperability along the entire line, allowing end user to go from a clean, professional look to up-arming for critical incident situations. The vest comes standard with Aspetto buckles (pictured). The UPT series allows for quick attachment of;

- Trauma and ballistic plates
- Groin Protector
- Shoulder Pads
- Throat Protector
- Bicep Protectors
- Pouches
- AB Protector
- SSAS Accessory System
- Assault Panel

The above accessories are attached by our revolutionary "G-Hook" attachment system when added functionality /load bearing/ protection is a must.
